

Start Your Career Here!

DIESEL SERVICE TECHNICIAN PROGRAM

We look forward to discussing the opportunity for you to join our team of knowledgeable techs for job experiences that will build your skills and prepare you for a successful career. Our program provides hands-on training and continuous guidance and feedback ensuring you get the most out of this program.

Value Implement provides equipment to a wide range of customers. The products we sell and service range from compact tractors to 600 horse power four wheel drive tractors to skid steers to RTV's.

The equipment we service has some of the most advanced technology available in recreational, agricultural and construction equipment available today. It takes the most skillful technicians to prep and keep our customers running. Value Implement holds the highest standards for our technicians and is dedicated to ongoing training to keep up with the latest technology service certifications.

Benefits

Scholarships are available to applicants enrolled in approved Diesel Technology Programs
